

Jefferson Web Site Staff Section

The Jefferson Website has a new staff section or intranet. This section is only available upon logging in. The section contains forms, resources and FAQ sections from Curriculum, Business, Special Education, Human Resources, Technology and Maintenance.

www.jeffersonschooldistrict.com

Sign In

The staff section tab will only display after an employee has signed in. The sign in link is at the top right hand side of the Jefferson Web Page. Click it and enter your username and password. Your username is typically your e-mail username without the @sjcoe.net (ex/dduck).

Staff Links

The staff section tab will now be displayed between parent and community links. Click and scroll down to access available links from Curriculum, Business, Special Education, Human Resources, Technology and Maintenance. Each department has their own page and each is working to enhance and update the information that is available.

Need Help?

If you have misplaced your password – click “Forgot my Password” on the sign in screen. You will be directed to enter your username. Your password will be manually reset and/or e-mailed to you.

If this isn't working, please e-mail Vicky Ochoa at vochoa@sjcoe.net

Have Suggestions?

Our goal is provide our staff with the most current and accurate information in one central location. Please feel free to let us know suggestions on additional resources we could include. You can e-mail the department contacts directly if it is specific to the department. E-mail Jim at jbridges@sjcoe.net if you have more of a general suggestion.
