2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Jefferson School
Street	7500 West Linne Road
City, State, Zip	Tracy, CA 95304
Phone Number	(209) 835-3053

2022-23 School Overview

Principal's Message

The purpose of the School Accountability Report Card (SARC) is to provide parents and the community with information about our school, its resources, successes and the areas of improvement. Our purpose is to foster understanding and support for Jefferson School through awareness of accountability programs for student achievement and the processes used to meet those standards and goals. This SARC is published annually. The statistics reported are from the 2021-22 school year unless otherwise noted. In some cases, comparison data covering three consecutive years is provided.

As the Jefferson School District has grown, Jefferson School has always held on to three characteristics that have made it one of the best schools in Tracy: high-quality teaching, strong community involvement and high academic standards for all students. Teachers at Jefferson work long hours and go the extra mile to help children learn the content standards, and something about life. Jefferson has stayed true to its tradition of the community by remaining a close-knit campus. This is enhanced by the school board's commitment to small class sizes and the staff's commitment to our students and their families. Jefferson students go on to be successful in high school, college and the professional world.

Our goals for the 2022-2023 school year involved teachers as lifelong learners and collaborating to research best practices, all while providing a robust curriculum and social/emotional support. It has been a challenging couple of years and we are proud to offer effective support for students who are struggling. We continue to share best practices with other schools in the district through our PLC meetings. The Site Leadership team members continue to lead small content area teams through a journey of researching best practices, creating SMART goals for student learning, creating common formative assessments, comparing data and working together to plan. Jefferson is proud to continue the important collaborative work with staff from other schools in the district.

Our mission at Jefferson school is the same; We take collective responsibility to empower all students to reach their fullest academic, physical and social potential. We believe strongly in that collective effort and it aligns perfectly with our school's vision; Our school provides a safe, encouraging environment where growth is the goal, failure is not feared but accepted as a learning opportunity, and staff and students strive for success through Jefferson's PRIDE. Through research, we continue to question grading strategies, implement more common formative assessments, review data for reteaching opportunities and work together to reach our mission. Our goal is to meet students where they are and we will intervene when needed.

2022-23 School Overview

Interventions for English learners (ELs), special population and Gifted and Talented Education (GATE) students will be differentiated in the classroom as well as with outside support. Our efforts are not only to intervene academically; we strive to meet behavioral needs as well. Discipline is based on restorative practices and students have multiple opportunities and paths to learn and grow from their behaviors. Our on-site therapist provides students and families support for mental-health needs, trauma, etc. All students receive weekly instruction from our adopted character education program, Project Wisdom in addition to our social/emotional curriculum, Second Step. We also recognize students for their good choices in an effort to create a nurturing and positive school climate. We have implemented a Kindness Wall for Jefferson School where students, staff, and families can send messages to each other to uplift and spread kindness and love.

Jefferson School's Associated Student Body (ASB) takes pride in making decisions for our campus, as our ASB has control of the ASB budget, activities, and decisions made on campus. Jefferson's student body can attend any ASB meetings, which are held weekly on Mondays. We are excited to be able to hosts events again this year and ASB has held several assemblies, rallies, and dances. Athletics are back at Jefferson and we are proud to be able to offer co-ed Volleyball, Boys Basketball, and Girls Basketball this year. Each grade level has a team and we are hoping to add more sports in the Spring. Our performances are also back and we have two music concerts planned and a spring musical play.

Overall, Jefferson School focuses on the whole child. We know that a balance of academic, mental and social success is key for sustained student success. The support for students is endless. Staff does what it takes to help all students. I am privileged to serve as the principal of Jefferson School and look forward to a successful year.

Jason Strickland
Principal

Jefferson "CREED"

Be Responsible. Do Your Best Each Day. Think Before You Speak. Put Others First. Avoid Conflict.

School Mission Statement

We take collective responsibility to empower all students to reach their fullest academic, physical and social potential.

School Vision Statement

Our school provides a safe, encouraging environment where growth is the goal, failure is not feared but accepted as a learning opportunity, and staff and students strive for success through Jefferson's PRIDE.

P – People are valued and appreciated.

R – Rigor is embedded in all subjects through standards-based learning.

I – Integrity, empathy, and acceptance are expected and recognized.

D – Differentiation is provided during the school day, utilizing a multi-tiered system of supports.

E – Excellence is achieved via meaningful, engaging work with self-reflection.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 5	110
Grade 6	97
Grade 7	88
Grade 8	94
Total Enrollment	389

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	47.0
Male	53.0
American Indian or Alaska Native	0.5
Asian	25.2
Black or African American	1.8
Filipino	4.9
Hispanic or Latino	36.0
Native Hawaiian or Pacific Islander	0.0
Two or More Races	6.2
White	25.4
English Learners	12.3
Foster Youth	0.0
Homeless	0.3
Migrant	0.0
Socioeconomically Disadvantaged	29.3
Students with Disabilities	9.0

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	13.30	81.35	80.80	80.45	228366.10	83.12
Intern Credential Holders Properly Assigned	0.50	3.06	3.40	3.47	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	2.00	1.99	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.70	10.46	9.10	9.14	12115.80	4.41
Unknown	0.80	5.08	4.90	4.93	18854.30	6.86
Total Teaching Positions	16.30	100.00	100.40	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	
Misassignments	0.00	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	0.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	
Local Assignment Options	1.70	
Total Out-of-Field Teachers	1.70	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	3.30	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The steps below describe the selection process for our textbooks and instructional materials.

1. These decisions are made before beginning the process:

- Discuss critical issues with administrators and curriculum representatives
- Determine issues unique to district needs
- Needs assessment
- School improvement plans
- Superintendent direction
- Board direction
- Review the state’s textbook-adoption committee’s evaluation of textbooks—look at criteria used overall in relation to each textbook and publisher

2. We then form a committee of administrators, teachers (representatives from all grade levels) and parents.

3. The committee reviews, researches and identifies essential K-8 curriculum and assesses needs.

4. The committee establishes consensus on the most important criteria to evaluate during initial screening.

5. Depending on how many textbook programs have been approved, we make arrangements to preview samples. An initial preview may be necessary to determine whether the committee needs to preview all samples. All textbooks are from the state-approved list.

6. The committee conducts evaluations, pilots, reviews, and shares the conclusions with administrators and staff.

7. Community members are invited to review curriculum and provide feedback.

8. The committee submits its recommendation to the school board for approval and, finally, implements the new program, monitors, and modifies or supplements when necessary.

9. The district has affirmed that each pupil, including English learners, has his or her own textbook to use in class and to take home.

Year and month in which the data were collected

09/2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	World of Wonders, McGraw Hill (TK) 05/2017 California Wonders, McGraw Hill (K-5) 05/2017 SpringBoard - California Ed., College Board (6-8) 05/2017	Yes	0%

	US History American Stories Beginnings to World War I, National Geographic (8) 05/2019		

School Facility Conditions and Planned Improvements

Jefferson School District is firmly committed to providing and maintaining a safe and healthy work environment. In order to achieve this goal, Jefferson School District has developed an Injury and Illness Prevention Program for all employees to follow. It is designed to minimize workplace accidents, injuries and illnesses. By making employee safety a high priority for every employee, we can reduce injuries and illnesses, increase productivity, and promote a safer and healthier environment for all individuals in the Jefferson School District. Hazard and safety awareness helps to provide a secure, peaceful and clean environment for the school community.

The school's Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on a regular basis.

At Jefferson School District, every effort is made to ensure students are monitored while on campus throughout the school day. Yard supervisors, teachers, site administrators and school staff provide supervision for students before and during school. All visitors must sign in at the office and receive proper authorization to be on campus and must display their passes at all times. We recently added an Ident-A-Kid visitor management system on campus. This system makes it easier to track visitors and volunteers. Furthermore, it requires parents to digitally check their child in and out for a more accurate account of children on campus.

A joint effort between students and staff helps keep the campus clean and litter-free. Two full-time custodians and one part-time custodian take great pride in maintaining organized, clean and safe facilities at Jefferson. Jefferson School District places a strong emphasis on ensuring the safety of all students and staff members. The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. A scheduled maintenance program is administered by Jefferson School District to ensure that all classrooms, restrooms and facilities are well maintained and in good repair.

The district was formed in June 1870 with a small schoolhouse. The current school site was first built in 1929 and remodeled in 1954 and 1966. Jefferson School originally had 20 classrooms, a gymnasium, library, computer lab, science lab, cafeteria, band room, maintenance shop, bus barn and three baseball diamonds.

In 2010, a school facilities bond was passed. This bond provided Jefferson School with a new main office building and classrooms, gymnasium, kitchen, playground and track area with space for multiple courts and activities, music and theater area attached to the gym stage, state of the art library, and modernized science labs. Furthermore, all classrooms are set up with smart projectors and students have Chromebooks in each classroom. This construction included a new fire and intrusion alarm system. To support the new fire and irrigation systems, a new well was drilled and a 125,000-gallon tank sits on the back of the property. The design of the school offers room for expansion in the future if needed.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	71	N/A	55	N/A	47
Mathematics (grades 3-8 and 11)	N/A	56	N/A	45	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	393	388	98.73	1.27	71.13

Students with Disabilities	37	33	89.19	10.81	21.21

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	99	99	99	99	99
Grade 7	100	100	100	100	93
Grade 9	NA	NA	NA	NA	NA

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

We are grateful to have a wonderful Parent Faculty Association (PFA) that is dedicated to serving the Jefferson and Monticello Elementary School communities. Our PFA has been actively devoting their time to organizing and developing special projects and events that benefit all students. The main fundraiser for the PFA is the School Carnival. We held this year's carnival in October after not being able to host one for the past two years due to the pandemic. It was a huge success and we saw more families at the carnival than ever before. Parents who are not yet members are always encouraged to join this amazing group and be a part of supporting students and staff at Jefferson. Meetings are held regularly, alternating between Jefferson and Monticello Elementary School. Here are some of the things at Jefferson MJPFA has supported this year: First day of school frozen yogurt for all students, 6th grade Science Camp, 8th grade end of the year activities, Kindness Wall Program, snacks for CAASPP testing.

Parents can also get involved with the following: English Learner Advisory Committee (ELAC), School Site Council, GATE activities, Safety Team, graduation committees, and classroom and school function volunteering. We welcome parents to be on our campus and to help throughout the year. This year, we started a new monthly parent engagement event, Coffee and Conversation with the Principal. It has been great meeting with parents monthly and sharing all of the amazing things happening at Jefferson. In order to support families who work during the school day, we also implemented an evening version of Coffee and Conversation that is virtual.

Our digital marquee is used to celebrate school successes and as another platform to inform students and families of upcoming events. Furthermore, families receive a weekly newsletter highlighting our campus and how to be involved. We continue our tradition of daily morning announcements that are projected digitally in classrooms as well as posted on our school website for parents and families to access. In order to spread those kindness messages we purchased two television monitors and now have one in the main office and in the cafeteria. This has been a highlight for students and families and we hope to be able to add more content in the future.

For more information on how to become involved, please contact our front office staff and reach out to our parent group at

2022-23 Opportunities for Parental Involvement

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.76	2.26	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.76	4.48	0.51	2.38	0.20	3.17
Expulsions	0.00	0.00	0.00	0.00	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	4.48	0.00
Female	3.05	0.00
Male	5.73	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.84	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	8.33	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	3.70	0.00
White	4.90	0.00
English Learners	7.27	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	6.40	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	4.44	0.00

2022-23 School Safety Plan

Jefferson School maintains a school safety plan, which is updated annually by the Safety Committee, whose members include administrators, employees, parents, students, and local law enforcement. A high priority is placed on disaster preparedness. Comprehensive safety plans have been created and reviewed by staff and they are discussed at monthly staff meetings. The Principal, Administrative Assistant, and Head Custodian meet weekly to discuss and collaborate on safety plans, drills, and other safety-related concerns.

The district requires monthly fire drills and other emergency drills (earthquake, lockdown) to be held to prepare students and staff in the event of a genuine emergency. Staff also debriefs after every drill to troubleshoot for future emergency situations. A complete emergency procedures guide is posted in each classroom, the office, and the staff room, describing procedures for emergency situations. All school buildings are equipped with backpacks containing emergency and first-aid supplies. The school safety plan is reviewed during the first month of school and also updated throughout the school year to ensure personnel is correct, staff and students are aware of procedures, and to ensure our students and staff are safe. We use our safety plan, along with fire and earthquake drills, at each site. The school safety committee walks the campus with a local officer, discusses areas for improvement, and makes those improvements. Furthermore, the fire inspector attends at least one drill each year to ensure we are keeping students safe, are as prepared as possible for emergencies, and that the responders (alarm company and officials) respond appropriately.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	32		10	2
Mathematics	21	5	5	
Science	32		3	3
Social Science	32		5	1

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	24	3	10	2
Mathematics	19	5	6	
Science	21	3	5	1
Social Science	20	3	5	1

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	29		12	
Mathematics	26	2	5	1
Science	29		5	1
Social Science	29		6	

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	0.5
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	1.5

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$7,671	\$2,454	\$5,217	\$74,930
District	N/A	N/A	\$9,648	\$77,781
Percent Difference - School Site and District	N/A	N/A	-59.6	-3.7
State	N/A	N/A	\$6,594	\$84,612
Percent Difference - School Site and State	N/A	N/A	-23.3	-12.1

2021-22 Types of Services Funded

Jefferson School District provides the following programs and supplemental services to its students:

- Gifted and Talented Education (GATE)
- Title I
- Title II, Part A
- Title III
- School Safety
- Class Size Reduction
- New Teacher Induction
- Positive Behavioral Interventions and Supports (PBIS)

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$45,401	\$51,591
Mid-Range Teacher Salary	\$72,856	\$79,620
Highest Teacher Salary	\$93,685	\$104,866
Average Principal Salary (Elementary)	\$117,439	\$131,473
Average Principal Salary (Middle)	\$117,439	\$135,064
Average Principal Salary (High)		\$137,679
Superintendent Salary	\$192,027	\$205,661
Percent of Budget for Teacher Salaries	37%	33%
Percent of Budget for Administrative Salaries	6%	6%

Professional Development

JSD encourages staff to attend outside conferences and workshops to further their education and stay current on recent educational research. Minimum days are scheduled throughout the year for teachers to participate in ongoing staff development at both the site and district levels. Teachers participate in ongoing staff development at the site as well as the county level. Professional-development methods include: after-school workshops, conferences, and individual mentoring and coaching. Teachers have participated in Common Core English language arts, math, writing, Guided Language Acquisition Design (GLAD), meeting the needs of special populations, technology training and district instructional norms. PD goals include training and support to plan rigorous lessons and monitoring student achievement and providing interventions when necessary, through the PLC progress. Several paid summer workshops were made available to teachers.

A New Teacher professional learning day is offered in August and full day professional learning days are offered to all teachers and admin before the school year begins. There is an additional day in the Spring. JSD also coordinates a day of PD for classified instructional staff each school year. School staff receive professional development monthly at staff meetings. These are called Professional Learning Opportunities, or PLOs. The mini lessons allow staff members to receive timely, practical, and applicable training from the District Instructional Coaches. School Instructional Leadership Teams meet monthly to work on school-wide instructional goals and professional development. The team members lead their grade level colleagues through the PLC process. In addition, they attend district professional leadership team meetings/PD. Grade-level collaboration teams work together to develop Common Core-aligned instructional guides, assessments and professional learning community collaboration.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	5	6	4
